

**About Us:** Shambaugh & Son, a wholly owned subsidiary of EMCOR Group, Inc., specializes in Design/Build and fast-track project delivery. Shambaugh & Son is a third generation, 81-year-old, construction/engineering firm. We are the third largest specialty contractor in the U.S. and the only one with all eight M.E.P disciplines in-house. We perform over \$270 million of construction per year with over 1,500 employees throughout 40 states.

**Job Title:** Ammonia - Refrigeration Service Technician

**Job Summary:** Start, test and check of ammonia systems - on both new and existing systems.

**Essential Duties and Responsibilities:** Regional travel to a 3 state area with occasional trips to projects on a national scale. Ammonia system knowledge is a must.

**Qualifications:** 5 years of experience necessary
