

About Us: Shambaugh & Son, a wholly owned subsidiary of EMCOR Group, Inc., specializes in Design/Build and fast-track project delivery. Shambaugh & Son is a third generation, 81-year-old, construction/engineering firm. We are the third largest specialty contractor in the U.S. and the only one with all eight M.E.P disciplines in-house. We perform over \$270 million of construction per year with over 1,500 employees throughout 40 states.

Job Title: Ammonia Service Manager

Essential Duties and Responsibilities: Responsibilities include the coordination and dispatching of manpower to provide customer service for the ammonia group. Additional duties include parts ordering, inventory control, manpower dispatching, billing and start-up coordination for our national, design/build projects.

Qualifications: 10 years experience necessary
