

About Us: Shambaugh & Son, a wholly owned subsidiary of EMCOR Group, Inc., specializes in Design/Build and fast-track project delivery. Shambaugh & Son is a third generation, 81-year-old, construction/engineering firm. We are the third largest specialty contractor in the U.S. and the only one with all eight M.E.P disciplines in-house. We perform over \$270 million of construction per year with over 1,500 employees throughout 40 states.

Job Title: Fire Protection Engineering Technician

Job Summary: Fire Sprinkler Design, Project Management, Training.

Qualifications: NICET Level III or higher. State of Ohio Certification. Supervision and training experience is a plus.

Visit our website at www.shambaugh.com to learn "What we do and How we do it."

If you are interested in joining a growing team of engineering and construction professionals, please submit your resume to HR@shambaugh.com.

We offer our employees a competitive salary and comprehensive benefits package and are always looking for individuals with the talent and skills required to contribute to our continued growth and success. EOE M/F/D/V
